

COMPANIONS' SCHOLARSHIP

With a Companions' Scholarship, you provide a student with the opportunity to fully experience a transformation of the head, heart, and hands. BC High provides a rigorous academic curriculum with a depth of co-curricular, social justice, and faith formation programs that act as a catalyst, forming young men who serve their communities and make a positive impact...here at home and around the globe. Your partnership in our mission has never been more important.

"I had to worry about a lot of things growing up, but not school. The generosity of my scholarship donor made BC High something I could hold on to. I carry him in my heart wherever I go because he gave me that opportunity and shaped my future."
