Advent Liturgy, Virtual Cocktails & Raffle

PRAY, LEARN & PLAY: All Mother's Guild members, alumni, friends & family are invited to participate in a livestream Advent Liturgy (4pm) followed by a Virtual Cocktail Party & Raffle (5 - 6:30 pm). From your home, you will click one link to join the 4pm Mass, followed by one click to join the 5pm party. Then ...

Zoom moderators will help you travel between parallel interactive presentations which will begin a new topic every 20 min. Concurrent demos & fun conversations include:

- ♥ a mixologist from hostevents.com will demo holiday creations from ingredient lists you'll receive in advance;
- ♥ renowned [expert of cyber safety, Liz Repking](#), will host multiple talks around social media impact on the brain and how to leverage its power;
- ♥ while faculty guests share insights on the impact of their professional development, diversity & inclusion initiatives inside and outside the classroom.

Switch rooms at any time or just "hang out at the bar" (in our mixology class for example) the entire time 😊. In between "classes" & "glasses" we will spin the "raffle wheel" for your chance to win a \$25 Amazon gift card!

Event tickets are \$20. Registered guests in attendance are automatically entered in raffle.
Event proceeds support the Mother's Guild mission and students in need.
