

# BC HIGH

As a parent, I too, understand the profound sense of pride and gratitude that comes with entrusting your son to the Jesuit ideal of living compassionately in service of others at BC High. Each day, I am privileged and grateful to continue witnessing the transformative impact of this education—[made possible by your generous support. Thank you.]

While reflecting on the past year and envisioning our future together, a remarkable student comes to mind, Gustavo B. He, like so many of our young men, represents the heart and soul of our community.

For Gustavo and countless others, **BC High isn't merely a school—it's a sanctuary, a place of belonging and growth.** His story, like many of his peers, is one of embracing challenges, seizing opportunities, and striving for excellence in every aspect of his life.

In Gustavo's own words, BC High is where "innovation and creativity thrive." It's a place where students are encouraged to explore their passions and talents, whether on the baseball field, within cultural associations like the Hispanic Latino Association, or through the enriching experiences offered by the Hyde Center for Global Education.

But what really sets BC High apart, is not just the multitude of opportunities it offers, but the profound impact it has on the lives of young men like Gustavo. Through service trips and immersion experiences, he discovers the true meaning of compassion and solidarity. **Here, he learns to see the world through God's eyes,** recognizing the inherent dignity of every individual, and experiencing the joy of service to others.

As we embark on the next phase of our journey with the *Illuminating Excellence* campaign, I am reminded of Gustavo's words: "The investments donors are making in our school are connected to the investments I'm making in myself, my education, and my future."

**<Salutation>, [Will you renew your support with] a gift of <ASK2>, investing in the future of BC High and the young men who shape it?**
